BUILDING / STRUCTURAL SAFETY CERTIFICATE

Name of the institute : St. Mary's School,
Address : Phase-XI, Sector-65, Sahibzada Ajit Singh
Nagar, Mohali, Punjab.

This is to certify that we have inspected the building / structure exclusively used for St. Mary's School at Phase-XI, Sector-65, Sahibzada Ajit Singh Nagar, Mohali, Punjab.

I have done the structural audit based on the visual inspection of the accessible parts / areas of the building. We find that the structural members of the building are not showing any kind of distress and the building is well maintained. Based on the same data collected from site, I am of the opinion that the structure / building is structurally safe for the intended purpose / use.

This certificate is issued on the clear understanding that my overall responsibility for the structural stability of the building and its proper structural performance will cease, the moment any additions or alterations, change in loads, structural changes to the structural frame are carried out without any structural engineer's advice or by accident or due to tampering by the users / occupants for any reasons whatsoever.

Special Note: Structural certificate is valid for a period of 12 months from date of issue, afterwards re-audit of structure shall be done.

The responsibility of Er. Pankaj Nanda (Structural Consultant) shall be limited to technical advice on matters referred by the client. All procedural/legal/operational matters and architectural/functional details will be the responsibility of the owner.
